In consideration of your agreeing to open or to operate account(s) and/or sub-account(s) (all of which accounts referred to as the “Account(s)”) and your acting as an agent for me/us in the purchase and sale of all kinds of securities, including but not limited to, shares, stocks, warrants, options, bonds, debentures, notes, bills of exchange, certificates and commercial paper of any description whatsoever and wheresoever issued, quoted, dealt in or located (the “Securities”), I/we acknowledge and agree that all Account(s) opened, maintained and operated in my/our name(s) or on my/our behalf will be opened, maintained and operated in accordance with my/our oral or written instructions, or to the extent authorised by me/us orally or in writing, at your discretion upon and subject to the following terms and conditions.

1. All transactions for my/our Account(s) and/or sub-account(s) shall be subject to the constitution, rules, regulations, by-laws, customs and usage of the Exchange, or such other foreign stock exchanges or markets or over-the-counter markets (the “Exchanges”) and the Hong Kong Securities Clearing Company Limited or such other foreign clearing houses (hereinafter refer as “Clearing Houses”) in which you are dealing on my/our behalf. All such transactions may be effected by you directly in any Exchanges where you are authorised to transact stockbroking business, or, at your option, in any Exchanges indirectly through any other broker which you may, at your discretion, decide to employ.
2. All transactions executed on my/our instructions on the floor of the Exchanges and/or over-the-counter shall be subject, if applicable, to a transaction levy and any other levies that Exchanges from time to time may impose. You are authorised to collect any such levies in accordance with the Rules prescribed by the Exchanges from time to time.
3. The Rules of the Exchanges and Clearing House, in particular those Rules which relate to trading and settlement, shall be binding on both yourself and me/us in respect to transactions concluded on my/our instructions.
4. Any of the Securities, acquired for or on my/our behalf, or in which I/we have an interest which are held for my/our Account shall be subject to a general lien for the discharge of my/our obligations to you arising from the business of dealing in Securities. In enforcing your lien, you shall have an absolute discretion to determine which Securities are to be sold and which contracts are to be closed.

5. The information contained in the “Client’s Information” set out in [Page 1, 2 and 3] to this Agreement or otherwise supplied by or on behalf of me/us to you in connection with the opening of any Account(s) for me/us is complete, true and correct. You are entitled to rely on such information until written notice has been received from me/us for any changes therein.
6. I/We hereby authorise you to conduct a credit enquiry or check on me/us for the purpose of ascertaining our financial situation and investment objectives.
7. You may record all telephone conversations with me/us in order to verify my/our instructions. I/We agree to accept the contents of such recording as final and conclusive.
8. Each Account shall be maintained, and all transactions conducted thereon recorded, in such currency as you may determine from time to time upon my/our instruction (such currency as for the time being so determined being referred to as the “reference currency”) and in respect of any transaction in Securities on any Account effected on any exchange or market in any other currency:-
 - (i) any profit or loss however arising as a result of exchange rate fluctuations affecting such other currency will be entirely for the account and risk of me/us and will accordingly be credited or debited (as the case may be), to the Accounts; and
 - (ii) unless specifically requested by me/us and agreed by you in writing, the amount to be debited or credited (as the case may be) to the relevant Account(s) in respect of the relevant transaction will be the sum in the reference currency converted from the relevant amount in that other currency on the basis of the then prevailing money market rate.
9. You may at any time without notice, notwithstanding any settlement of account or other matter whatsoever, combine or consolidate all or any of such Accounts as are for the time being opened and maintained by me/us with any one of you, your holding companies (as defined in the Companies Ordinance) and the subsidiaries (as defined in the Companies Ordinance) of any such holding company, including the existing Accounts, for use in connection with the trading in Securities and/or other instruments or investments of any description whatsoever and wheresoever issued, quoted, dealt in or located and set-off or transfer any sum standing to the credit of any one or more such Accounts wherever suitable in or towards satisfaction of any of my/our indebtedness, obligation or liability to you on any Account or in any other respect whatsoever, whether such indebtedness, obligations or liabilities be present or future, actual or contingent, primary or collateral, several or joint, secured or unsecured and when such combination, set-off or transfer requires the conversion of the currency into another such conversion shall be calculated at the spot rate of exchange (as conclusively determined by you) prevailing in such foreign exchange market as you may in your absolute discretion select on or about the date of the combination, set-off or transfer.

All Securities which you or any of your holding companies (as defined in the Companies Ordinance) or any subsidiary (as defined in the Companies Ordinance) of any such holding company or any of your subsidiaries or any other company or person otherwise associated with

you including those with whom you have any form of dealing, brokerage, agency or clearing relationship (each of which is referred to as an “Associate”) may at any time be holding for me/us (whether individually or jointly with others) or which may at any time be in the possession of you or an Associate for any purpose and in whatever capacity shall be subject to a general lien in your favour and shall be held as security for the payment and discharge of any indebtedness and other obligations or liabilities of me/us on any of the Accounts. In enforcing your lien, you shall have an absolute discretion to determine which Securities are to be sold and which contracts are to be closed.

10. I/We agree to indemnify you and your officers, employees and agents for any loss, cost, claim, liability or expense arising out of or connected with any breach by me/us of my/our obligations here under including any costs reasonably incurred by you in collecting any debts due to you or in connection with the closure of the Accounts(s).
11. You will act as my/our agent in effecting transactions unless you indicate (in the contract note for the relevant transaction or otherwise) that you are acting as principal.
12. I/We will notify you when a sale order relates to securities which I/we do not own i.e. involves short selling.
13. On all transactions, I/we will pay you commissions and charges, as notified to me/us, as well as applicable levies imposed by the Exchange, and all applicable stamp duties. You may deduct such commissions, charges, levies and duties from the Account(s).
14. Unless otherwise agreed, in respect of each transaction, unless you are already holding cash or securities on my/our behalf to settle the transaction, I/we will:-
 - (a) pay you cleared funds or deliver to you securities in deliverable form; or
 - (b) otherwise ensure that you have received such funds or securities.By such time as you have notified me/us in relation to that transaction. If I/we fail to do so, you may:-
 - (a) in the case of a purchase transaction, sell the purchased securities; and
 - (b) in the case of a sale transaction, borrow and/or purchase securities in order to settle the transaction.
15. I/We will be responsible to you for any losses and expenses resulting from my/our settlement failures.
16. In the case of a purchase transaction, if the selling broker fails to deliver on the settlement date and you have to purchase securities to settle the transaction, I/we shall not be responsible to you for the costs of such purchase.

17. If any dividends or other distributions or benefits are accrued from any Securities deposited with you which are not registered in the name of your nominees, my/our account with you shall be credited (or payment made to us as may be agreed) with the proportion of the total number or amount of relative Securities held on my/our behalf. If in relation to any Securities deposited with you but which are registered in the name of your nominees, any losses suffered by you there from shall be debited (or payment made by us as may be agreed) from my/our account with the proportion of such loss equal to the proportion of the total number or amount of relative Securities held on our behalf.

When purchasing securities I/we may decide not to have the securities re-registered into either my/our name or the name of your nominee in order to avoid being unable to trade the securities during the registration period. If I/we decide not to re-register the securities, I/we acknowledge that I/we run the risk for foregoing any dividend which may be declared in respect of the securities.

I/We understand that if I/we wish to receive any dividend then prior to the book closing date, such Securities will have to be re-registered and I/we have the option of registering Securities in my/our name(s) or the name of your nominee.

In the event that the Securities are registered in the name of your nominee, I/we understand that you will credit my/our account with any dividends or other distributions or benefits accruing to the Securities.

I/We acknowledge that if any Securities are registered in my/our name(s) then the receipt by me/us of any dividend is a matter for me/us and the company in which the Securities are concerned and/or the company's registrar.

For the purpose of this Clause, I/we accept that a certificate under the hand of any of your duly authorised officers stating the aforesaid proportion of such benefit or loss in respect of the Account shall be binding and conclusive on me/us in the absence of manifest error.

18. Subject to any agreement in writing between you and me/us to the contrary, I/we authorise you at any time and from time to time to withhold, withdraw, pay to yourselves and retain for your own use and benefit absolutely any and all amounts at any time and from time to time earned, accrued, paid, credited or otherwise derived by way of interest or premium from the retention at any time or from time to time of (i) any amount in any trust account established by you under section 4 of the Securities and Futures (Client Money) Rules and (ii) any amount at any time paid to or received or held by you or any of your nominees, agents, representatives, correspondents or bankers for my/our account in any other circumstances, for any purpose or pursuant to any transaction. Unless, the account balance amounts to above HK\$50,000 or US\$10,000 or equivalent to US\$10,000 in other currencies. In which case you will be credited interest at such rates as you shall determine or I/we shall negotiate specifically with you.
19. Any Securities deposited by me/us with you or purchased by you on my/our behalf and held by you for safe-keeping may at your discretion be either:-

- (i) registered in my/our name or in the name of your nominee; or

- (ii) deposited in safe custody in a designated account of your banker or with any other institution which, in the case of Securities traded in the Stock Exchange of Hong Kong Limited has to be acceptable to the Securities and Futures Commission, provides facilities for the safe custody of documents. Any Securities kept outside Hong Kong shall be subject to the applicable laws, rules, regulations and customs and/or bye-laws.
20. Your records shall, in the absence of manifest error, be conclusive and binding on me/us as to the amount standing to the debit or credit of any of my/our Account(s).
21. You will use reasonable endeavours to comply with and fulfill any instruction I/we may give you concerning the operation of my/our Account(s) or in respect of any transaction in Securities to be made on my/our Account(s) and/or my/our behalf but (i) you are entitled at your entire discretion to refuse to carry out any such instruction and shall not be obliged to give any reasons for such refusal; (ii) I/we hereby acknowledge that you will not be liable for any loss that I/we may suffer whether directly or indirectly as a result of any inability or failure in your part to comply with or fulfill any such instruction or without prejudice to the generality of the foregoing, as a result of any loss caused directly or indirectly by government restrictions, stock exchange or stock market rulings, changes in any applicable laws or regulations, suspensions in trading, wars, strikes or other circumstances or conditions beyond your control.
22. Notwithstanding anything to the contrary herein contained, you shall have the right exercisable at your absolute discretion at any time to close any Account(s) maintained in my/our name and/or on my/our behalf without ascribing any reason therefor.
23. Whilst I/we expect you to keep confidential all matters relating to my/our account, I/we hereby expressly agree that you may, if requested by the Exchanges or Clearing Houses, provide to the Exchanges or Clearing Houses any details of an Account(s) in order to assist them any investigation or enquiry it is undertaking.
24. In the event of a default committed by you resulting in my/our suffering a pecuniary loss, the liability of the Investor Compensation Fund will be restricted to valid claims as provided for in the Securities and Futures Ordinance (Cap.571).
25. Your failure to insist at any time on strict compliance with any of the terms or conditions of this Agreement or any continued course of such conduct on your part shall in no event constitute or be considered as a waiver by you of any of your powers, remedies or privileges.
26. Account where you in your sole discretion deem such disclosure necessary or appropriate.

28. You do not have my/our written authority under section 6 of the Securities and Futures (Client Securities) Rules to:-

 - (b) borrow or lend any of my/our securities; and
 - (c) otherwise part with possession (except to me/us or on my/our instructions) of any of my/our securities for any purpose.

Risk Disclosure Statements

Risk of Securities Trading

The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities.

Risk of Trading Options and Derivative Warrants

The risk of loss in trading options and derivative warrants are substantial. Placing contingent orders, such as “stop-loss” or “stop-limit” orders, will not necessarily avoid loss. Market conditions may make it impossible to execute such orders. You should therefore study and understand options and derivative warrants before you trade and carefully consider whether such trading are suitable in the light of your own financial position and investment objectives. If you trade options and derivative warrants you should be aware of exercise and expiration procedures and your rights and obligations upon exercise or expiry.

Risk of Trading Growth Enterprise Market Stocks

Growth Enterprise Market (GEM) stocks involve a high investment risk. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid.

You should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Current information on GEM stocks may only be found on the internet website operated by The Stock Exchange of Hong Kong Limited. GEM Companies are usually not required to issue paid announcements in gazetted newspapers.

You should seek independent professional advice if you are uncertain of or have not understood any aspect of this risk disclosure statement or the nature and risks involved in trading of GEM stocks.

Risk of Trading Nasdaq-Amex Securities at The Stock Exchange of Hong Kong Limited

The securities under the Nasdaq-Amex Pilot Program (PP) are aimed at sophisticated investors. You should consult your dealer and become familiarised with the PP before trading in the PP securities. You should be aware that the PP securities are not regulated as a primary or secondary listing on the Main Board or the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited.

RISKS OF CLIENT ASSETS RECEIVED OR HELD OUTSIDE HONG KONG

Client assets received or held by the licensed or registered person outside Hong Kong are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the Securities and Futures Ordinance (Cap.571) and the rules made thereunder. Consequently, such client assets may not enjoy the same protection as that conferred on client assets received or held in Hong Kong.

RISK OF PROVIDING AN AUTHORITY TO REPLEDGE YOUR SECURITIES COLLATERAL ETC.

There is risk if you provide the licensed or registered person with an authority that allows it to apply your securities or securities collateral pursuant to a securities borrowing and lending agreement, repledge your securities collateral for financial accommodation or deposit your securities collateral as collateral for the discharge and satisfaction of its settlement obligations and liabilities.

If your securities or securities collateral are received or held by the licensed or registered person in Hong Kong, the above arrangement is allowed only if you consent in writing. Moreover, unless you are a professional investor, your authority must specify the period for which it is current and be limited to not more than 12 months. If you are a professional investor, these restrictions do not apply.

Additionally, your authority may be deemed to be renewed (i.e. Without your written consent) if the licensed or registered person issues you a reminder at least 14 days prior to the expiry of the authority, and you do not object to such deemed renewal before the expiry date of your then existing authority.

You are not required by any law to sign these authorities. But an authority may be required by licensed or registered persons, for example, to facilitate margin lending to you or to allow your securities or securities collateral to be lent to or deposited as collateral with third parties. The licensed or registered person should explain to you the purposes for which one of these authorities is to be used.

If you sign one of these authorities and your securities or securities collateral are lent to or deposited with third parties, those third parties will have a lien or charge on your securities or securities collateral. Although the licensed or registered person is responsible to you for securities or securities collateral lent or deposited under your authority, a default by it could result in the loss of your securities or securities collateral.

A cash account not involving securities borrowing and lending is available from most licensed or registered persons. If you do not require margin facilities or do not wish your securities or securities collateral to be lent or pledged, do not sign the above authorities and ask to open this type of cash account.

RISK OF PROVIDING AN AUTHORITY TO HOLD MAIL OR TO DIRECT MAIL TO THIRD PARTIES

If you provide the licensed or registered person with an authority to hold mail or to direct mail to third parties, it is important for you to promptly collect in person all contract notes and statements of your account and review them in detail to ensure that any anomalies or mistakes can be detected in a timely fashion.

Risk Disclosure and Security Warning

The very fact that you are looking at an Internet Broking Site indicates that you have a certain familiarity with the advantages of the Internet and are perhaps drawn to the perceived convenience and cost benefits.

However we must warn you that the Internet is inherently insecure and subject to technical failure. Not just our site but any site is subject to potential hacking that may violate the safety of private information as well as financial assets.

Whilst we employ such things as firewalls and recommended encryption and take very seriously our responsibility to protect your privacy and assets, we cannot absolutely guarantee this. For example your own personal computer is subject to possible security attacks from viruses and Trojans that can pick up financial data, pin numbers and codes allowing third parties to steal or divert data and financial assets such as cash or securities.

You should change your pin numbers and passwords from time to time. You should use software, such as Norton Anti Virus and Spybot or other proprietary programmes designed to protect your computer. You should run these frequently even daily. We cannot accept responsibility for the security of your computer system.

You should monitor your account and advise us immediately should you notice any discrepancy in your account. This is for your protection as well as ours.

You should note that there may be a time lag in data transmission and that your order may not necessarily be executed at the price indicated on the Internet in the case of dealing.

Please understand that we believe that the above warning is applicable to any commercial transactions on the Internet not just dealing with Lippo but other brokers, banks, even retailers such as bookshops, music stores and airlines etc involving money transfers and credit card payments.

Please understand that this warning cannot be comprehensive as new criminal schemes such as phishing and identity theft keep evolving.
